Barbara LeBrun, SIOR of NAI/Merin Hunter Codman is Elected to Leadership Palm Beach County 2017-2018 Board of Governors

West Palm Beach, Fla. – – NAI/Merin Hunter Codman, Inc., Palm Beach County’s leading commercial real estate services firm, is proud to announce, Managing Director, Barbara LeBrun’s 2017-2018 elected appointment to Leadership Palm Beach County’s Board of Governors.

Since 1983, Leadership Palm Beach County, a nonprofit organization, has brought together select leaders from the public, private and nonprofit sectors to deepen their civic commitment and awareness of diverse issues and industries. Over the course of a year, Leadership program participants spend one full-day a month together traveling across Palm Beach County with exclusive access to courtrooms, newsrooms, schools, farms, major businesses and to the top executives who run the industries that drive Palm Beach County’s economy. Participants of this unique program gain a deep understanding of the region and build lasting bonds with their fellow Leadership class mates by working together on meaningful local projects. Upon completion of the program, alumni then become a powerful network which shapes the curriculum for future participants and continue to work together in the community to tackle issues affecting Palm Beach County residents.

“For over three decades, NAI/Merin Hunter Codman has been a leader in both Palm Beach County commercial real estate and civic involvement. Our success is largely due to the firm’s belief that only through civic leadership can NAI/Merin Hunter Codman’s partners, brokers and staff gain a deep empathy and understanding of the community and market in which they serve. Barbara LeBrun, SIOR encapsulates this belief. I congratulate Barbara and her accomplishment, it is an honor to work closely with someone of her caliber, who is truly dedicated to the success of Palm Beach County“, stated Jordan Paul, CEO of NAI/Merin Hunter Codman.
