

Carey Kingree, RPA, FMA

Vice President of Property Management

Scope of Services

Ms. Kingree is the senior officer responsible for NAI/Merin Hunter Codman's property management department. As Vice President of Property Management, Ms. Kingree oversees and directs all aspects of property management operations for office buildings, retail centers and industrial projects across the state of Florida. In addition to overseeing all property management personnel, Ms. Kingree also supervises budgeting, reporting and bidding for all NAI/Merin Hunter Codman managed properties. Working closely with NAI/Merin Hunter Codman's accounting, engineering and construction divisions, Ms. Kingree ensures that all managed properties are operated to first-class standards focusing on cost effective and environmentally sustainable processes and procedures.

Background & Experience

Ms. Kingree joined NAI/Merin Hunter Codman, Inc. in July 2005 as a Senior Property Manager. Ms. Kingree brings over two decades of experience in the commercial property management industry. Prior to NAI/Merin Hunter Codman, Ms. Kingree worked as a Property Manager for Equity Office, the largest office REIT in the United States.
